

He spoke

⁶By the word of the Lord the heavens were made,
And by the breath of His mouth all their host.
⁷He gathers the waters of the sea together as a heap;
He lays up the deeps in storehouses.
⁸Let all the earth fear the Lord;
Let all the inhabitants of the world stand in awe of Him.
⁹For He spoke, and it was done;
He commanded, and it stood fast. Psalm 33:6-9 NASB

Our confidence in the word of God must not be shaken or tampered with. The word by which He created the heavens and the earth and all that exists, both living and inanimate, is the same word by which we are born again and given the gift of eternal life. It is the same word by which we download eternal life daily to become *partakers of the divine nature*¹ in transformation that fulfills His purpose for us now.

The **theory** of the natural evolution of all things has succeeded in its mission, even to those of us that claim the name of Christ. Deceitfully, the implanted teaching from those in authority in our formal learning process and the continuing pressure from culture and people who assume it to be true, take their toll on us in ways usually too subtle for us to notice. We hesitate at the mention of the Creator or His creation and a lingering cultural dependence on science and the “provable,” cause us to doubt in ways we would never say or admit in the open. But it has already happened. Faith has been eroded and the Savior has been weakened in our hearts, along with the benefit He could be to our soul and our character. Doubt in the word of God in one area weakens it in all areas for His word is His word, whether it is creating the worlds or whether it is creating us in Christ as a “new creation.”² His promises that sustain us day-by-day must not be weakened if we are to live with confidence in this dirty and dark world. We must stand firm. We must believe in the word of God.

There is no middle ground. There must be no compromise. All of the Bible is the word of God or none of it is. The health of your soul depends on this. We must believe in the word of God.

May God bless you.
